

Artist Watercolour 250gsm

Digital & Fine Art Archival Printing Solutions for the Imagemaker

DESCRIPTION OF PRODUCT

The **Artist Watercolour 250gsm** textured art paper has a sumptuous off-white base tone made from alpha cellulose. The mould-made base material with a highly defined rough surface that delivers incredible fine art prints.

Ideally suited to the reproduction of Artists' watercolour work or the output of photographic images from which you wish to achieve subtle artistic impressions. It has a very high colour gamut volume and a Dmax of 1.6 which combine to give you an elegant and versatile art paper.
